{From OneKriegerChick.com}

Ingredients:

1 c. butter flavor Crisco

1/2 c. sugar

1 c. brown sugar

1 tsp. vanilla

2 eggs, beaten

2 1/2 c. flour

1 tsp. baking soda

1 tsp. salt (I omit)

1/2 package chocolate chips (use more if desired)

Directions:

Cream Crisco, sugars and vanilla until creamy. Add eggs and mix well. Add flour, baking soda and salt. Stir until thoroughly mixed. Add chocolate chips and combine.

Drop by large Tablespoons onto a cookie sheet lined with parchment paper. I use my Medium Pampered Chef scoop and it makes the perfect size cookie!

Bake at 360 degrees for 9-10 minutes. Do not over bake!

Enjoy!

Notes: I use farm fresh eggs, real vanilla and mini semi-sweet chocolate chips.
